

SATURDAY 29TH OCT

HRANG TIAM

Colleague of Dr Aung Mang

3pm meeting followed by meal

Hrang Tiam was born on May 7, 1970 and from an early age he had a strong desire to become either a medical doctor (or) a full time Christian worker. But due to the 1988 public demonstration all the schools were closed. He prayed to God, *"Lord, if you choose me to be your servant for your ministry, open the way for me to study in India, and I will serve you throughout my life."* The Lord answered his prayer and opened the way to India for His word. He married Rebecca in 1998, and upon the invitation of Dr. Aung Mang, joined MEGST in 1998 (as part time) and in 1999 as full time. They have 3 children, Benny (16 and a half), Daniel (11) and Rachel (9 and 9 months). He served the Lord at MEGST first as Dean of Students and left for Manila for further study during 2002 - 2006. Then served as Postgraduate program director, and then as a Dean until Feb. 2016. He is on sabbatical leave until the end of May 2017.
